

# ACCM Membership Application

---

The Association of California Construction Managers (ACCM) represents Construction Management (CM) firms working with California's K-14 school and community college districts.

ACCM:

- Provides direct legislative lobbying on new proposed legislation that affects CMs on school facility projects.
- Provides direct administrative lobbying with the State Allocation Board, Department of Finance, Department of Education, and the Division of the State Architect, as well as many other state agencies. Our administrative lobbying is on regulations and policies that affect school construction and CM services.
- Organizes short-term coalitions to pressure for adequate pipeline funds for school facilities.
- Develops information for state agency and school district use regarding construction costs and construction methods.
- Provides member firms with information about school bonds placed on local ballots, demographic trends in enrollment by county and other information useful for working with potential K-14 clients.

---

Membership in the Association of California Construction Managers is open to firms and individuals sharing a common interest in the promotion of construction management as a professional service. The Association's membership represents a broad spectrum of the construction industry.
